February 2020

Municipal Development Plan Update

Hello!

In the summer of 2018, the Village Council engaged Municipal Planning Services (MPS) to assist with the preparation of a **Municipal Development Plan (MDP)**. Throughout 2019, Council and MPS have been preparing a draft **MDP**.

In October 2019, **Newsletter #1** was circulated to residents to provide information about the project and the Open House. The purpose of **Newsletter #2** is to provide residents with an update on the project and the feedback received.

Project Update

MPS prepared a **What We Heard Report (WWHR)** based on resident and stakeholder input for the draft **MDP**. Feedback pertained to the **MDP** vision, goals, objectives, history, and development considerations in the Village. Ideas and comments were gathered from residents and stakeholders at the Open House held October 15, 2019, from the Open House survey, and through email correspondence. The **WWHR** summarizes the feedback and outlines responses and recommendations based on the feedback. The **WWHR** and draft **MDP** can be found on the Village website: www.hughendenab.ca.

During the next phase of the project, MPS will be revising the draft **MDP** based on the feedback received from residents and stakeholders. Any additional feedback you would like to provide for consideration must be provided to MPS **no later than Friday, March 20, 2020**.

Following the revisions, the **MDP** will be presented to Council for consideration of first reading. Thereafter, a **Public Hearing** for the **MDP** will be held in the spring. The date and time for the **Public Hearing** will be provided when the date has been confirmed.
