Village of Hughenden

Dear Residents:

As per the Bylaw #465-08, 4 (a), (b) (Weeds, grass, trees, and pests) It is the responsibility of the Residents in the Village of Hughenden, Ab. to trim the trees on boulevards, back alleys, and along sidewalks.

The Bylaws are posted on the Web page: [hughendenab.ca](http://hughendenab.ca) should you require any further information.

Winter is coming and the tractor will need to get down the back alleys from time to time and the Village requests the trees get trimmed prior to snow fall.

Thank you for your co-operation.

Village of Hughenden

  
Trina Sather – CAO
